[Click HERE](#) for the updated Negative Notice List.

Rule 2002(c)(2) requires the notice of hearing on an application for compensation to include the amount of compensation sought, and Rule 2002(a)(6) requires 21-days' notice of the hearing to parties in interest. In order to comply with Rule 2002(c)(2), the negative notice legend for fee applications must include the amount of compensation sought. **Service of the fee application itself is not required, but as stated in the negative notice legend, a copy of the fee application must be provided upon request.**

After filing a fee application via CM/ECF, counsel shall serve notice of the application in the following form:

**NOTICE OF APPLICATION FOR COMPENSATION
AND REIMBURSEMENT OF EXPENSES
AND OPPORTUNITY TO OBJECT AND REQUEST A HEARING**

A copy of the Application may be viewed on the case docket or by request to Applicant at [telephone number] or [email address].

If you object to the Application, you must file an objection with the Clerk of Court at [address] within 21 days from the date of the proof of service below, plus an additional three days if this notice was served on any party by U.S. Mail.

If you file and serve an objection within the time permitted, the Court will either (1) notify you of a hearing date, or (2) consider the Application and approve or disapprove the Application without a hearing. If you do not file an objection within the time permitted, the Court will consider that you do not oppose the Application, and the Court will consider the Application without further notice or hearing.
