

*Notice from the **Orlando Division** of the United States Bankruptcy Court*

To limit exposure to the COVID-19 virus while maintaining our mission to keep the U.S. Bankruptcy Court up and running, please follow all guidance of the Centers for Disease Control and Prevention, including staying home if you are ill. Also, it appears one of the best ways to avoid infection is to maintain a safe social distance of approximately six feet and to refrain from direct physical contact. To give everyone just a little more space during this period, the Orlando Division of the U.S. Bankruptcy Court immediately will implement these two changes:

- (1) All 341 Meetings will occur on the 6th floor in Courtrooms B and D. Please look for the directional signs.

- (2) Attorneys appearing in the Orlando Division are encouraged to appear by telephone when appropriate, even if you are resident in the Orlando Division. As time progresses, we may move to exclusive telephonic hearings, if needed, to protect the health of our parties and attorneys while keeping our court safe and operational.
