On June 21, 2021, the United States Trustee Program’s rule entitled *Uniform Periodic Reports in Cases Filed Under Chapter 11 of Title 11*, published at 28 C.F.R. § 58.8 (the “Final Rule”) became effective. The Final Rule requires that chapter 11 debtors-in-possession and trustees, other than in small business and subchapter V cases, file monthly operating reports and post-confirmation reports using streamlined, data-embedded, uniform forms in every judicial district where the U.S. Trustee Program operates.

The United States Trustee Program has posted on its website updated versions of the UST Form 11-MOR, Monthly Operating Reports (“MOR”) and UST Form 11-PCR, Post-confirmation Reports (“PCR”), that should be used for all reports filed after **November 30, 2021**. Designed to improve the overall user experience, the updates streamline the process of embedding data on the forms by using standard PDF bar-code technology. The updates do not impact the information required to be reported on the MORs and PCRs.
