Instructions for Fillable PDF Chapter 13 Plan Form

The fillable PDF Chapter 13 Plan has been developed to allow filers to easily prepare Chapter 13 Plans. The form permits filers to “collapse” inapplicable plan provisions and to add lines for additional information where needed. The PDF can be saved, revised, printed, and uploaded via CM/ECF.

To ensure the accuracy of the form, data pull downs have been provided. It is important to read the entire form to ensure that all the necessary data fields are filled. Please contact our help desk if you need assistance with the form <mailto:ecfhelp@flmb.uscourts.gov>

Step 1.

If you do not already have Acrobat please download the reader copy at <https://get.adobe.com/reader>. The form may not display with early versions of Acrobat reader.

Visit the court’s website and download the most recent form at <http://www.flmb.uscourts.gov/proguide/index.asp> under the Other District Wide Forms section.

Step 2.

The screen shots below describe the process of entering data into the form. Note: by design, some data objects on the form do not appear when the form is printed. All data is saved when the SAVE button is clicked in the top left corner of the form. The data pull down objects will fill selected text in the form as shown in red.

The pull down boxes on the right allow the filer to select the Division, whether the Plan is Amended, Second Amended, etc., and the length of the Plan. This information is automatically uploaded on the form as shown by the red arrows. The pull down boxes do not appear on the printed copy of the Plan.
