

SUMMONS ISSUANCE IN ADVERSARY & INVOLUNTARY CASES

The following guide explains how an original summons is issued upon filing of an adversary case and the process to obtain Alias, Pluries, and Third-Party summons in an adversary proceeding and Involuntary summons in a bankruptcy case.

Automatic Summons in Adversary Proceeding Filing

After a complaint is docketed and subsequently reviewed by the Clerk's Office, an internal program will automatically create and issue a summons. It is the responsibility of the electronic filer to print the automatically issued summons and serve it according to the Federal Rules of Bankruptcy Procedure. A copy of Administrative Order FLMB-2014-10 must be served along with the summons.

The issued summons will appear on the docket report and also on the Notice of Electronic Filing. Click on the document number hyperlink for the Summons. The issued summons is displayed in pdf format.

Note: If any updates to the parties or related bankruptcy case information occurs after the issuance of the initial summons, do not use the automatic summons. You will need to request an Alias Summons as outlined below. If the summons is correct, **Print** or **Save** to a file. At the bottom of the summons

is a link to a blank Certificate of Service page. This can be printed and used to file proof of service of the summons with the Court.

Requesting an Alias / Pluries Summons

Alias / Pluries Summons are requested via paperless docket entry, then issued and posted to the docket via an automated process. Attorneys are notified of the summons entry through their usual manner of electronic notification (individual or daily summary emails.)

In the **Adversary – Request a Summons** event menu, select the event **Request for Alias or Pluries Summons**.

A message screen during docketing indicates that a form is unnecessary, and that the event is not to be used for Third Party or Involuntary Summons. (Explanation of that process follows below.)

NOTE: Upon completion of this docket entry, an Alias or Pluries Summons, as requested via this entry, will be automatically generated and docketed under a separate entry. No prepared summons form is required for this request.

This event is for Alias and Pluries Summons only. If you require a Third Party or Involuntary Summons, please return to the Adversary or Bankruptcy - Request a Summons category and select the Request for Third Party or Involuntary Summons event.

You must indicate upon whom the summons is to be issued - you may select multiple parties. The “Date summons issued” field should not be changed, and the system will not allow you to select a future date . When prompted, indicate whether an Alias or Pluries summons is requested. The resulting docket text will indicate the Summons is pending.

Requesting a Third Party / Involuntary Summons

The process for requesting a Third Party (AP) or Involuntary (BK) Summons is similar to the Alias / Pluries Summons with one important distinction: for these summons, a completed summons form must be submitted during the entry. Summons forms can be found on our website at <http://www.flmb.uscourts.gov/forms/>. It is only necessary to provide one form for issuance, as it is not a requirement to submit a separate form for each party served. The summons will then be issued and posted to the docket by a member of the Clerk’s Office. Attorneys will be notified of the summons issuance entry through their usual manner of electronic notification (individual or daily summary emails.)

To request a summons, from the **Adversary or Bankruptcy – Request a Summons** events menu, select the event **Request for Third Party or Involuntary Summons**.

A message screen during docketing will remind you that a form is necessary, and that the event is not to be used for Alias or Pluries Summons.
