INTAKE

The following are some of the questions most often asked and their answers:

Q. Where do I file documents?

A. **All documents are filed at the Intake Section located on the 7th floor between the hours of 8:30am and 4:00pm.**

PLEASE NOTE: We do not have an office in the Fort Myers Courthouse, so do not attempt to file documents there.

Q. Where are the Section 341 Meeting of Creditors held?

A. **The Assistant U.S. Trustee's Office and Section 341 Meeting of Creditor's Rooms are located at 501 E. Polk Street, Suite 1200, Tampa, Florida 33602, telephone number (813) 228-2000.**

Section 341 Meetings are held in the following rooms:

Room 100A, Chapter 7 and 13 cases

Room 100B, Chapter 11 cases

Room 100C, Chapter 7 cases

Q. Where can I get the Certificate of Necessity form to file an emergency motion or any other informative memoranda, etc?

A. **You may obtain these forms and memos at the Intake Section or on the Internet. Our website address is www.flmb.uscourts.gov.**

Q. Does the Clerk's office issue subpoenas?

A. **Yes, the Clerk's office can still issue subpoenas, but usually only do so for pro se debtors. Any attorney admitted to practice in the Middle District of Florida can issue and serve their own subpoenas. The clerk's office can supply the new forms upon request, and are available at the Intake Section.**

Q. Can you give me a case number?

A. **Yes, but request you use VCIS or PACER. If you are here in person there are "user friendly" computers for public use in the file viewing area. Anyone can use these computers to search for the name, case number and any other available information about a debtor who filed after August, 1985, up through and including the actual day of the search.**

If the debtor filed prior to August, 1985, you may personally search the index cards that list bankruptcies filed before computerization; or you can send a \$20.00 research fee with a written request for a manual search of the card catalog. The card catalog is kept in the file viewing room.

Q. Can I view a file that is scheduled for hearing?

A. Files are available for viewing except on the actual day of a hearing, or if the Judge is currently working on the file.

When requesting a file, please fill out the Request for Case File completely and legibly, indicating the current date, the case number, your full name printed, your daytime phone number and which type of file you wish to view. The various types of files are:

- General File
- Claims File
- Adversary File
- Stay File
- Reports File

PLEASE DO NOT REMOVE ANY DOCUMENTS FROM THE FILE

If you truly need to review a file that has been pulled for hearing or that is in Chambers, contact the appropriate Supervisor.

Q. What kind of information can I receive over the telephone?

A. Due to a directive issued from the Administrative Office in Washington, DC, as of August 16, 1993, court personnel are prohibited from giving any other information than that which is available on the first screen of the computer. This information consists of:

Case Number	Date Filed
Judge Assignment	Chapter
Asset/No-Asset	Conversion Date
Debtor(s) Name	Debtor(s) Address
Social Security Numbers	
341 Meeting Date	341 Meeting Location
Claims Bar Date	Complaint Deadline
Number of Adversaries	
Discharge Date	Closed Date
Debtor's Attorney Name	Telephone Number & Address
Trustee's Name	Telephone Number & Address
Creditor's Attorney Name	Telephone Number & Address
Trustee's Attorney Name	Telephone Number & Address

If you require more information than that is provided above, you may visit the Clerk's Office to review the file or search the record on the computers provided in the file viewing room or send a written request for information with a twenty (\$20.00) dollar research fee.

Q. What cases are stored in the Federal Archives in Georgia?

A. At this time all cases, which were, closed prior to 1995 are stored in the Federal Records Center, East Point, Georgia. We will verify that a case is in storage when the occasion arises.

Q. Why can't you do more than one search a day for me?

A. On August 16, 1993, the Administrative Office released new guidelines regarding searches. These guidelines were designed to encourage maximum use of the available automated database systems. This means that a search fee would not be charged for a single request for basic information; however, the Administrative Office does wish to encourage those who require bankruptcy information on a regular basis to utilize all automated databases furnished for public use.

Q. What forms are available at the Clerk's Office?

A. The following is a list of the forms available. They may be obtained at either of the Intake Section counters:

MIDDLE DISTRICT OF FLORIDA

CASE NUMBER REQUIREMENTS

Due to the size of the Middle District of Florida Bankruptcy Court, the Divisions are broken down by their office number and by the Judges. It is **imperative** that when filing any document or pleading, the **complete** number is used to ensure that the document is properly handled.

ALL documents must contain the entire case number, for example, 01-00001-8P7.

- The first two digits signify the year the case was filed
- The next five digits are the chronological number assignment
- The next digit designates the division in which the case was filed:
 - 3 = Jacksonville
 - 6 = Orlando
 - 8 = Tampa
 - 9 = Fort Myers
- The letter signifies which Judge has been assigned to the case:
 - B** Chief Judge Thomas E. Baynes, Jr. - Tampa
 - P** Judge Alexander L. Paskay – Tampa and Fort Myers
 - P** Judge George L. Proctor - Jacksonville
 - M** Judge K. Rodney May - Tampa
 - B** Judge Arthur B. Briskman - Orlando
 - J** Judge Karen S. Jennemann - Orlando
 - F** Judge Jerry A. Funk - Jacksonville
 - G** Judge Paul M. Glenn - Tampa
 - W** Judge Michael G. Williamson - Tampa
- The last digit designates the Chapter under which the case is currently proceeding:
 - 7 = Chapter 7
 - 9 = Chapter 9
 - 1 = Chapter 11
 - 3 = Chapter 13
- 01-99999-9P1 is the case number for a 2001, Chapter 11 case from the Fort Myers Division assigned to Judge Paskay.

NORTHERN DISTRICT OF FLORIDA

CASE NUMBER REQUIREMENTS

The Northern District does not use a suffix at the end of the case number; instead, the first digit after the year number is always a 0 (zero), the second digit after the year number is the division number:

0	=	Gainesville
2	=	Panama City
4 or 5	=	Pensacola
7	=	Tallahassee

For example: 01-07001 is the first case filed in 2001 in Tallahassee.
01-00001 is the first case filed in 2001 in Gainesville.

SOUTHERN DISTRICT OF FLORIDA

CASE NUMBER REQUIREMENTS

The first digit after the year number is the county number, then the case number, then BKC and the Judge's initials.

County Numbers:	1	=	Dade County
	2	=	Broward County
	3	=	West Palm Beach County

Judge's Initials:	RAM	=	Chief Judge Mark
	AJC	=	Judge Cristol
	PGH	=	Judge Hyman
	SHF	=	Judge Friedman
	RBR	=	Judge Ray

For example: 01-10001-BKC-AJC is the first case filed in Dade County in 2001 assigned to Judge Cristol.

01-30001-BKC-RAM is the first case filed in West Palm Beach County in 2001 assigned to Chief Judge Mark.

Instructions for Filing Master Mailing Matrices
In Computer Readable Format

Effective August 1, 1996
Revised November 17, 1999

1. The revised Local Rule 1007-2 (effective August 1, 1996) requires that the master mailing matrix be provided to the Clerk in a computer readable format in all cases regardless of size.

Here are the requirements for submitting the master mailing matrix in computer readable format.

If you have any questions or problems regarding these requirements, please call Laurie Ellwood, Network Administrator, at (813) 301-5063.

2. What you need is:
 - a) An IBM compatible PC with DOS version 3.1 or higher.
 - b) 3 1/2" diskette.
 - c) A program that will produce ASCII text files such as a word processor or text editor, or other programs with the capability of producing output in ASCII format.

NOTE: Many Bankruptcy programs have the capability of producing output in ASCII format.

3. How do you produce these matrices?
 - a) Simply follow the same instructions as you would to produce a matrix on hard copy:

1. Lists should be typed in either one or three columns. (One is usually easier to type in.) If you are using three columns, Column 1 should start in position 1, Column 2 in position 29, and Column 3 in position 57.
 2. Individuals should be listed in last name, first name format.
 3. Each name and address must consist of no more than 4 (four) total lines SINGLE SPACE, with at least ONE BLANK LINE between each of the name/address blocks.
 4. ZIP codes must be located on the same line as the city and state. This must be the last line of each name/address block. The city and state also NEED to be separated by a comma.
 5. Nine-digit ZIP codes should be typed with a hyphen separating the two groups of digits.
 6. All states must be two-letter postal abbreviations. Example: correct = CA; wrong = California, Calif. (See the list of abbreviations that follows this notice).
 7. Each line of information must be 29 characters or less in length. If you are using two or three columns, do not exceed 28 characters in length for each address line for each column.
 8. Entities with more than one address may be listed as many times as necessary to assure proper notice.
 9. Do not include the following entities since they will be added automatically by Clerk's Office staff and retrieved from the system for noticing:

* Debtor	* Attorney for the Debtor(s)
* Joint Debtor	* U.S. Trustee
* Case Trustee	
 10. Do not type "attention" lines or account numbers on the last line. If needed, this information must be placed on the second line of the name/address block. (City, State and Zip MUST be on the last line.)
 11. Do not use a header or footer to identify your case! Label the floppy.
- b) Save this data in ASCII format in a file called creditor.scn.
- c) For Chapter 11 cases, save a separate list of top 20 creditors in ASCII format in a file called creditor.t20.

- d) Copy or Print the file(s) to a 3 1/2" diskette. (This floppy must be formatted using DOS 3.1 or higher.)
- e) Label the diskette with the case name and file it with the petition.

Example:

John Doe Inc. creditor.scn 1/26/97

- f) Only one case should be included on each floppy. Only one creditor.scn file can be processed from a single floppy.
4. Benefits of submitting creditor matrices in ASCII format on floppy:
- a) You may use Word Perfect, Microsoft Word, Word Star, Professional Write, or any other word processor or editor (edlin, fred, etc.) with the capability of creating ASCII files.
 - b) Many Bankruptcy programs have the capability of producing output in ASCII format.
 - c) You may use other programs that you are currently using to produce schedules, etc. as long as you can produce the ASCII file output. This eliminates duplication of data entry!
 - d) Processing is quicker and more efficient.
5. Updated instructions for filing master mailing matrices in computer readable format will be maintained at the intake counters in Jacksonville, Orlando, and Tampa, on PACER and on the Court's Internet home page at <http://www.flmb.uscourts.gov>.
