***Hearings***

**Please DO NOT call Chambers unless you require a hearing to be scheduled on an emergency basis.**

The Court is not permitted to communicate with parties outside of the Court. Any requests for relief must be made by filing a written request with the Court.

The Court has entered the [Order Regarding Attendance at Hearings](#), which sets forth how parties may attend hearings depending on the type of matter that is scheduled for hearing. If you are a party that only wishes to observe a hearing, the order requires you to register via CourtSolutions.

Because of the large number of interested parties in the case, Chambers staff may not be able to return phone calls immediately. Therefore, please review the order for information and instructions regarding attendance at hearings in this case and **kindly refrain from calling Chambers** unless you have reviewed all information provided and followed all the required steps.
