Description

This procedure covers motions to extend or enlarge time, except for Motion to Extend the Automatic Stay.

Parties may file motions to extend or enlarge the time to file various papers—including schedules, statements, plans, objections to claims or exemptions, complaints objecting to discharge or to determine dischargeability, answers, responses, and appeals. Parties may also file motions requesting to extend the time to complete a task, such as bringing Chapter 13 plan payments current or filing tax returns, or to enlarge a period (e.g., the exclusivity period in a Chapter 11 case).

Filing Checklist

Review the motion to determine if it:

- Is signed;
- Contains the attorney's name and complete address and is consistent with the filing attorney's name and address in CM/ECF;
- Is properly served and includes a proper certificate of service;
- If applicable, is accompanied by a proposed order.
